

Osama Nurhussen Kahsay

M.Sc. Cyber Security Student | HDBW

✉ ousamnur@gmail.com

📞 +4915565817608

📍 Erding, Germany

SKILLS

Excel SQL Git

Burp Suite C/C++

Java Wireshark

Nodejs Python

MVP/POCs APIs

Linux MS Office

Prompt Engineering

LANGUAGES

English
Full Professional Proficiency

Arabic
Professional Working Proficiency

Amharic
Native or Bilingual Proficiency

Tigrigna
Native or Bilingual Proficiency

PERSONAL PROJECTS

Automated Data Extraction
& Image Processing
(Python)
(10/2024 - 11/2024)

- Engineered a Python script to compress and transform **6,000+ unstructured Telegram data points** into a structured, analysis-ready dataset.

MU-SORC
(09/2023 - 10/2023)

- HTML, CSS, Firebase

CTMS & ICTMS
(10/2023 - 11/2023)

- Nodejs, Ejs, MongoDB, CSS

Network Packet Analysis
(10/2023 - 12/2023)

- Wireshark, Python

TECHNICAL SKILLS

Software Dev

Python, JavaScript, Node.js, FlutterFlow, API Integration (REST), Git.

Cyber Security

Wireshark, Nmap, Burp Suite, JADX, Linux Bash, Virtualization.

Data Analysis

MS Office (Excel data reporting), MongoDB, Firebase(Real-time DB), SQL, NoSQL Architecture., SQLite

AI & Automation

Prompt Engineering, GenAI/RAG basics, Python Scripting, Web Automation.

EDUCATION

- **M.Sc in Cyber Security**
Hochschule der Bayerischen Wirtschaft
10/2025 - Present *Munich, Germany*

- **B.Sc. in Electrical & Computer Engineering (Stream of Computer Engineering)**
Mekelle University
09/2017 - 11/2024 *Mekelle, Ethiopia*

WORK EXPERIENCE

- **Co-founded & Co-developed MK Delivery (Startup)**
05/2024 - 06/2025 *Mekelle, Ethiopia*
Developed Mekelle's first food delivery app, connecting multiple restaurants to over 3,000 active users. Check the Website [here](#) & App [Here!](#)
Achievements/Tasks
 - Co-developed and managed a food delivery platform for 3,000+ users using **FlutterFlow**, **Firebase**, and **AfroMessage API**, while overseeing all startup logistics, marketing, and system operations.**Contact** : Ousamnur@gmail.com

- **IT Security & Development Intern – Team Lead**
